### Notes

- The membership fee is set on an annual basis by members' vote at the IOMIBA Annual General Meeting held at the end of the indoor bowling season. This year's fee of £70 entitles members to play in leagues, championships (a small entry fee may apply), round robins (£1 entry fee) and other sessions booked by the Club without joining the NSC or booking in at NSC Reception. The bowling season generally starts in early October each year.
- An additional optional season ticket costing £34.10 may be purchased **direct from the NSC** which will allow holders to book available rinks outside club times at no additional charge between 4<sup>th</sup> September 2023 and 31<sup>st</sup> March 2024.
- Social membership is available to those only wishing to play in the Saturday Round Robins. No annual fee; just £5 in cash at each session attended (includes entry fee). *Please complete this form as we need your details on file.*
- If you require a locker to store your bowls equipment please indicate above. Lockers are in short supply and are allocated to members by the IOMIBA Treasurer on a first come/first served basis. If you require a locker you will be allocated one as soon as one becomes available in exchange for an annual fee of £10.00. (Please note that only inert items such as bowls, shoes, clothing, etc. may be stored in the lockers overnight; see the NSC Bowls Hall Locker Policy).
- The IOMIBA will retain and process the information provided by you on this form solely for the means of communicating with you and for record keeping. It will not be shared with any third party **other than the NSC**, either in or outside of the Isle of Man. By signing this form you agree to your information being used in this manner. Please ensure that you inform the Treasurer (details below) as soon as any of the above information changes. You may request, by writing to the Treasurer at any time, that your information is deleted from the IOMIBA records but at that time your membership will cease. Your information will be automatically deleted should your annual subscription remain in arrears for a period of 12 months.
- Whilst both the Club and the NSC hold liability insurance, please note that this is only applicable where negligence can be proved and that you are responsible for your own safety and welfare during visits to the NSC and its grounds. You must also ensure that you take care not to injure others (eg avoid leaving trip hazards around the rinks, warn others if firing etc).
